

SENSITIVE SKIN CARE

CLMD OTC Products and CLMDRx Custom Prescription Compounding Formulary

Pricing is subject to change. Effective June, 2026

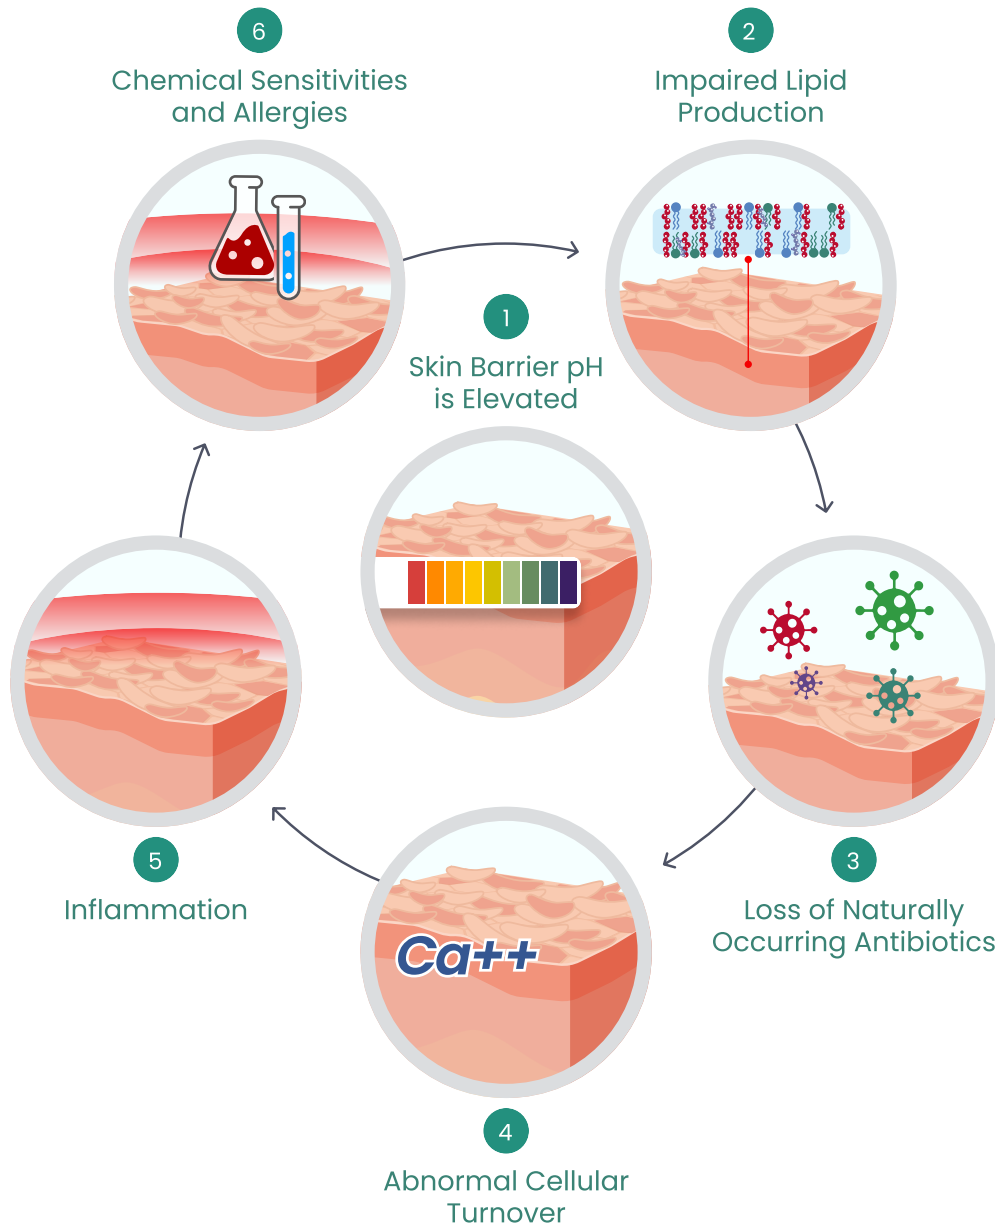

Our Founder Cheryl Lee Eberting, MD

Inventor of the patented TrueLipids® and TrueCider™ Technology. Board-Certified Dermatologist, Former NIH Scientist and Skin Barrier Expert.

I have spent my entire career focused on the treatment of difficult skin conditions. While working as a clinical research scientist at the National Institutes of Health, I treated patients from all over the world with very severe skin problems. I found that there were no effective AND non-toxic solutions for my patients--especially for people who have sensitive skin. I set out to create products that are effective AND hypoallergenic AND non-toxic for all ages. After almost FIVE years of trial and error, TrueLipids and TrueCider were born! These products are so effective that they have also received many United States patents. Give them a try. I'm sure you will love them like my family and I do.

TrueLipids® Patented Skin Barrier Optimization Technology

TrueLipids® is the only patented technology in the world designed to address all six areas of skin barrier dysfunction, including those associated with aging, acne, inflammation, infection, eczema, and other common skin conditions.

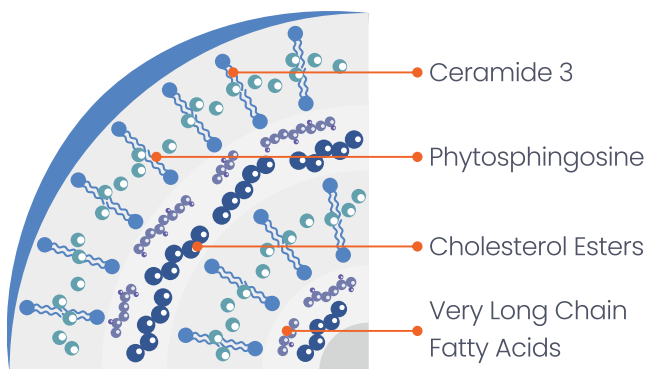

All CLMD Products are:

- ✓ Free of 88 of the most common allergens
- ✓ No toxic environmental persisters
- ✓ Safe for the most sensitive skin.
- ✓ No teratogens
- ✓ No mutagens
- ✓ No hormone disruptors

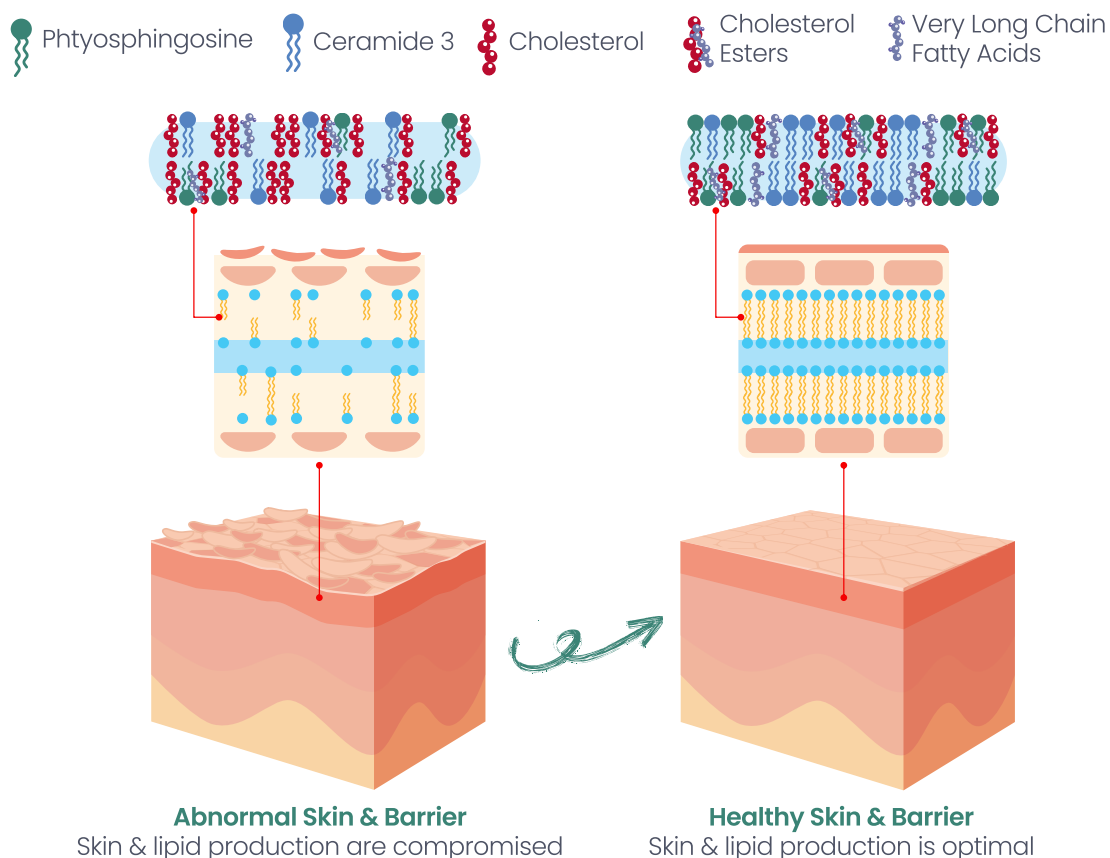

TrueLipids®

Patented Skin Barrier Lipid Blend

A healthy skin barrier protects against irritants, allergens, and bacteria. When lipid levels become unbalanced and depleted, skin can become dry, cracked, itchy, and prone to eczema, infection, and aging. TrueLipids addresses the root of the problem by delivering a patent-pending blend of essential skin lipids, including Cholesterol-esters, Ceramide 3, Ceramide precursors, and Very Long-Chain Fatty Acids, to the layers of skin where they are needed most to help restore and repair the barrier. Includes 18-B glycyrrhetic acid and niacinamide to help fight the effects of UV radiation, redness and inflammation. Polyhydroxy acid to balance skin barrier pH.

- Fast, powerful Itch relief
- With Lipid Release™ Technology for layered, long-lasting moisture
- pH-Protect helps balance the skin barrier microbiome
- Skin feels soft, smooth, & natural
- Dermatologist-invented & tested

TrueCider® Patented Skin Barrier Acidification Technology

With pH Protect™, the ONLY patented skin barrier acidification technology with a triple combination of skin-friendly acids including organic apple cider vinegar (acetic acid) and a synergistic blend of polyhydroxy acids; lactobionic acid and gluconolactone.

Together, this combination is part of the solution for the same six areas of skin barrier vulnerability found in aging, inflammation, eczema, or acne-prone skin.

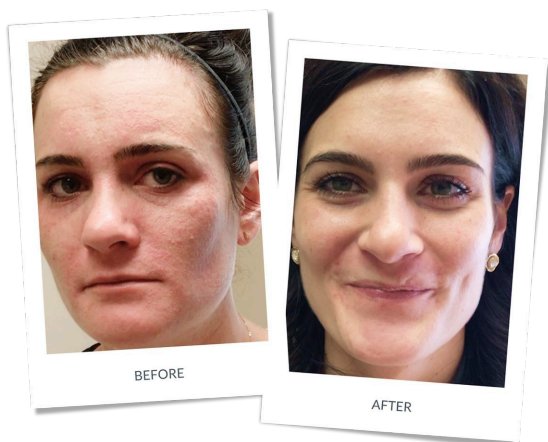

Skincare That Works™.

Expert Solutions for Sensitive Skin

Ceramide+ Cream

Intensive Moisturizing Cream

MSRP: \$44.20

A rich, ultra-hydrating moisturizer that strengthens and restores the natural skin barrier. Formulated with ceramides, fatty acids, antioxidants and natural anti-inflammatory molecules, it deeply hydrates, repairs, and protects the driest and most sensitive skin.

Why It's Superior

Made with the patented TrueLipids blend of ceramides, cholesterol esters, very long-chain fatty acids and ceramide precursors. Deeply hydrates and prevents moisture loss. Perfect for aging, sensitive, dry, or compromised skin types. Niacinamide and licorice root extract protect against inflammation, UV-induced oxidation, and environmental damage.

What You Can Expect

- Luxurious skin barrier optimizing cream
- Provides deeply moisturizing relief for aging, dry, and sensitive skin
- Calms irritation, redness, and pigmentation
- Brightens the skin for a natural, youthful glow
- Optimizes tone and texture while minimizing the appearance of large pores and fine lines
- LipidRelease™ technology repairs skin barrier function and provides deep, long-lasting moisture

For All Skin Types

Eye Cream | Face, Neck, Body, Hands and Feet |
Deep Moisture

Relieve & Protect Ointment

Advanced Skin Protectant

MSRP: \$44.00

Fast-acting, soothing relief for dry, chapped, cracked, windburned, and irritated skin. This advanced skin protectant helps restore balance and supports the skin's natural repair process, while delivering long-lasting moisture and protection.

Why It's Superior

Formulated with essential lipids like Ceramide 3 and Very Long Chain Fatty Acids to restore the skin's moisture balance, plus licorice root extract to enhance the anti-inflammatory response. Hypoallergenic and free from harsh chemicals, it's ideal for sensitive skin needing soothing protection.

What You Can Expect

- Seals moisture in and keeps irritants out while reducing irritation caused by dry skin conditions
- A soothing and protective ointment that does not burn or sting
- Works at the source of dry, cracked skin with patented TrueLipids™ blend of essential skin lipids
- Relieves and protects dry, itchy, chapped, cracked, wind-burned and irritated skin

For All Skin Types

Hands, Feet, and Body | Best When Layered on TrueLipids Cream | Extra Deep Moisture

Hydrate, Correct and Perfect Lotion

Lightweight Moisturizing Lotion

MSRP: \$52.00

A rejuvenating lotion that deeply hydrates while addressing fine lines and wrinkles, pigmentation, redness, uneven texture, and dry patches. It balances and corrects the skin's appearance, leaving it visibly smoother and more radiant with regular use.

Why It's Superior

A unique blend of Ceramide 3, cholesterol ester, and essential fatty acids work together to improve skin texture and help rebuild the skin's natural defenses. This non-irritating formula not only combats visible skin damage but also locks in moisture to ensure hydration is maintained throughout the day.

What You Can Expect

- Restores the skin barrier and skin elasticity to a natural and youthful glow
- Works to calm, replenish, rejuvenate, and repair the skin moisture barrier
- With hydrating skin lipids and antioxidants
- A non-steroidal approach to naturally calm and soothe dry, aging, or irritated skin
- Antioxidant protection to help repair and prevent free radical damage
- Helps to stimulate the skin's DNA repair mechanisms
- Balances all production

For All Skin Types

Face and Body | Light Moisture

Hydrocortisone Barrier Cream

Fast-acting, Long-lasting Anti-itch Cream

MSRP: \$45.00

The only 1% hydrocortisone cream with patented skin barrier optimization technology, natural anti-inflammatory molecules and antioxidants. Designed to provide fast relief from itching, inflammation, and irritation caused by common skin conditions like eczema, rashes, and insect bites.

Why It's Superior

This cream goes beyond just offering immediate relief—it incorporates a barrier-forming technology that protects the skin long after application. By helping to shield the skin from further irritants, this cream ensures both instant comfort and long-term recovery, making it a superior option for treating irritated and inflamed skin.

What You Can Expect

- Temporary relief of itching, irritation, and inflammation
- For eczema, psoriasis, seborheic dermatitis, eyelid dermatitis, allergic reactions, bug bites, and more
- Incredibly fast itch relief
- Pair with Relieve & Protect Ointment for more powerful relief
- Truly hypoallergenic, non-toxic, and therapeutic

For All Skin Types and All Ages

Face and Body | Deep Moisture

Boo-Boo and Bum Balm

Soothing Skin Relief
for Little Ones' Delicate Skin

MSRP: \$22.00

A gentle, all-natural balm designed to provide quick relief for diaper rash, chafing, and other skin irritations. Formulated to soothe, protect, and nourish delicate skin, it's ideal for babies but safe for the entire family.

Why It's Superior

Unlike typical ointments, our Boo-Boo & Bum Balm is formulated without talc or silica and is free of harmful ingredients like fragrances and parabens. This non-toxic, hypoallergenic balm provides powerful, fast-soothing relief, ensuring that both baby bums and mommies are happy!

What You Can Expect

- Powerful, fast, soothing relief for minor cuts, scrapes, burns, and diaper rash
- No allergy-causing topical antibiotics like neomycin and bacitracin
- Truly hypoallergenic, non-toxic, and therapeutic
- Helps to minimize the signs of redness and pigmentation associated with cuts and scrapes
- Fast relief for diaper rash

For All Skin Types and All Ages

Minor Cuts, Scrapes, and Diaper Rash

Lip Balm

Nourishing, Hydrating Lip Care

MSRP: \$16.50

A nourishing, hydrating balm that restores and protects lips, minimizing fine lines and keeping them smooth, soft, and youthful.

Why It's Superior

A blend of ceramides, natural anti-inflammatory molecules and antioxidants help restore and protect the delicate skin on your lips. This non-greasy balm works to hydrate while minimizing the appearance of fine lines around the lips. Its unique combination of ingredients ensures lasting protection against environmental stressors and keeps lips soft, smooth, and nourished throughout the day.

What You Can Expect

- Restores essential skin lipids for dry, chapped lips
- Relieves cracked and peeling lips for those taking Accutane®
- Patented essential skin barrier lipid blend
- Contains natural Glycyrrhetic Acid (from Licorice Root) to calm and soothe irritated lips
- No allergenic fragrances, dyes, preservatives or beeswax
- Ultra long-lasting moisture

For All Skin Types

Lips | Extra-Deep Moisture

TrueCider® Serum

Age-Defying, pH-Balancing Skin Treatment

MSRP: \$22.00

A pH-balancing serum designed to restore the natural skin barrier biome, clear imperfections, and fight signs of aging while providing deep hydration when paired with TrueLipids products.

Why It's Superior

TrueCider Face & Body Serum combines the benefits of organic apple cider vinegar with polyhydroxy acids, which work together to restore the skin's natural pH, balance the biome, clear imperfections, and provide gentle exfoliation. Unlike harsh exfoliants, this serum nourishes and balances the skin without irritation, making it suitable for sensitive skin types. Its gentle, age-defying formula helps promote smoother, more radiant skin.

What You Can Expect

- Restores and maintains the skin's natural pH balance for optimal skin health
- Reduces the appearance of fine lines and wrinkles by supporting skin texture and elasticity
- Provides multi-condition support for acne, eczema, rosacea, and other common skin concerns
- Does not make your skin sensitive to sun like alpha and beta hydroxy acids do
- Gently exfoliates and hydrates, leaving the skin smooth, radiant, and balanced without irritation
- Enhances skin clarity and minimizes imperfections for a more even complexion

For All Skin Types

Face and Body | Deep Moisture

TrueCider® Creamy Cleanser

Nourishing, Hydrating Cleanser

MSRP: \$35.20

A first-of-its-kind poly acidic cleanser that gently removes impurities while deeply hydrating and restoring the skin's natural barrier. Formulated to lower your skin barrier pH without stripping essential lipids. It rebalances the skin's biome for a smooth, healthy, and visibly refreshed complexion.

Why It's Superior

Unlike traditional cleansers that can strip the skin's natural moisture, TrueCider Gentle Creamy Cleanser uses the benefits of organic apple cider vinegar and polyhydroxy acids while it gently cleanses and hydrates. Formulated to balance the skin's natural pH while calming irritation, reducing redness, and fighting inflammation. Non-irritating formula makes it ideal for sensitive skin, troubled skin and normal skin.

What You Can Expect

- Helps the skin to naturally fight infection, inflammation, and irritation by helping to acidify the skin barrier
- Includes niacinamide and glycyrrhetic acid to help smooth fine lines, redness, and pigmentation
- Great for fine lines and wrinkles, eczema, acne, rosacea, candida, psoriasis, intertrigo, cradle cap, hidradenitis, dry skin, aging skin, and more

For All Skin Types

Face and Body | Deep Moisture

TrueCider® Shampoo and Body Wash

Dual-Purpose Cleansing and
Moisturizing Formula

MSRP: \$28.50

A dual-purpose wash designed to cleanse both hair and skin while providing deep nourishment and hydration.

Why It's Superior

TrueCider Shampoo & Body Wash is infused with the natural benefits of apple cider vinegar and polyhydroxy acids, niacinamide and licorice root extract. Clarifies, hydrates, and balances both the skin and hair. This sulfate-free, hypoallergenic wash ensures an invigorating, age-fighting cleanse that leaves you feeling refreshed and nourished, without irritation. Perfect for sensitive skin. Gentle enough for daily use.

What You Can Expect

- Deeply cleanses hair and skin without stripping essential moisture, leaving both feeling fresh and hydrated
- Enhances shine and vitality of hair with the natural clarifying benefits of apple cider vinegar
- Supports skin's natural barrier, protecting against dryness and environmental stressors
- Provides gentle, soothing hydration, perfect for sensitive skin prone to irritation
- Ideal for everyday use, leaving skin and hair smooth, nourished, and refreshed

For All Skin Types

Hair and Body | Deep, Gentle, and Clean | Safe
on Color-Treated Hair

TrueCider® Creamy Conditioner

Nourishing and Soothing Hair Conditioner

MSRP: \$28.50

A nourishing conditioner that hydrates dry, sensitive scalps and hair, leaving it soft, manageable, and healthy-looking.

Why It's Superior

TrueCider Creamy Conditioner provides long-lasting hydration with a unique blend of organic apple cider vinegar, polyhydroxy acids and keratin amino acids. This combination works synergistically to nourish and clarify hair while soothing the scalp. Hypoallergenic formula ensures it's safe for sensitive skin and effective in addressing issues like dandruff, eczema and psoriasis.

What You Can Expect

- Restores moisture balance to dry hair and sensitive scalps, leaving them soft, shiny, and healthy-looking
- Helps to improve hair texture, promoting smooth, manageable strands without frizz
- Relieves scalp conditions such as eczema, psoriasis, and dryness, soothing irritation while protecting the scalp
- Enhances hair's natural shine and body, improving overall hair health with each use
- Hypoallergenic and free of harsh chemicals, making it suitable for sensitive skin and color-treated hair

For All Skin Types

Hair and Scalp | Deep Condition & Shine | Safe on Color Treated Hair

TrueLipids® Compounding Bases

Not all compounding bases are created equal

A proprietary platform built exclusively for prescribers who refuse to compromise on the skin barrier.

Engineered for skin barrier optimization

Created with the patented TrueLipids technology

Optimized for drug delivery

Enhances active absorption and efficacy

Truly hypoallergenic

Free of 88 of the most common allergens and irritants

Truly non-toxic

No teratogens, no mutagens, no hormone disruptors and no toxic environmental disruptors. Safe for the most compromised skin

TrueLipids and TrueCider compounding bases enable customization that no other compounding bases can deliver.

TrueLipids® Compounding Bases

\$ 415.00

Highly elegant formulations designed to enhance delivery of your actives while optimizing the skin barrier. Contains no allergens, no mutagens, no teratogens, no hormone disrupters and no toxic environmental persisters.

TrueLipids bases retain their consistency with a broad variety of APIs and solvents. Ideal for both prescription compounding and overall skin care for all ages. These bases excel on the most sensitive skin types and on normal skin.

- ✓ Free of 88 of the most common allergens
- ✓ No teratogens
- ✓ No mutagens
- ✓ No hormone disrupters
- ✓ No toxic environmental persisters

TrueCider® Serum Compounding Base

TrueCider® is well-suited as a compounding base for age preventions and scalp and hair loss formulations, where pH optimization plays a key role in supporting penetration of active ingredients and a healthy skin and scalp barrier. A stable, reliable vehicle for incorporating preferred active ingredients—allowing therapy to be tailored to each patient without the irritation risk that often limits treatment options for sensitive-skin.

- ✓ Free of 88 of the most common allergens
- ✓ No teratogens
- ✓ No mutagens
- ✓ No hormone disrupters
- ✓ No toxic environmental persisters
